REASONS FOR REPURCHASE

The Board believes that the Repurchase Mandate is conducive to promote the healthy and stable long-term development of the Company, and to protect the interests of general investors effectively, and is in the interest of the Company and the Shareholders. Based on the prevailing market conditions and funding arrangement, the exercise of the Repurchase Mandate may increase the net asset value per share and/or earnings per share. The Repurchase Mandate will be exercised only when the Directors consider that repurchase is beneficial to the Company and its Shareholders.

FUNDS FOR REPURCHASE

In repurchasing H Shares of the Company, the Company plans to use its own internal funds to finance such purpose legally in accordance with the Articles of Association and the applicable PRC laws, statutes and regulations.

Considering the current working capital conditions of the Company, the Board believes that an exercise of Repurchase Mandate in full will not cause material adverse impact on the working capital and/or gearing position of the Company (as compared to the financial position as at December 31, 2018 as disclosed in the audited financial statements of the Company in the annual report for the year ended December 31, 2018). However, if the Board believes that the exercise of Repurchase Mandate will have material adverse impact on the working capital requirements or gearing ratio of the Company, the Board tends not to repurchase shares by exercising the power conferred under the Repurchase Mandate. The Board will consider the prevailing market conditions at an appropriate timing to make decisions on the number of H Shares to be repurchased, the price and other terms to repurchase H Shares, in the best interest of the Company.

PRESENT INTENTION OF DIRECTORS AND THEIR CLOSE ASSOCIATES

To the best knowledge of the Directors, having made all reasonable enquiries, none of the Directors or their close associates (as defined in the Hong Kong Listing Rules), have any present intention to sell to the Company any H Shares of the Company if the Repurchase Mandate is approved by the EGM and the Class Meetings.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Hong Kong Stock Exchange that in appropriate circumstances, they will exercise the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate in compliance with the Hong Kong Listing Rules, Articles of Association, applicable laws, rules and regulations of the PRC, and in accordance with the special resolutions set out in the notices of the EGM and the Shareholders' Class Meetings.

EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the power of the Company to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition of the voting rights pursuant to Rule 32 of the Takeovers Code. If such an increase results in the change in control, it could, under certain circumstances, result in the recommendation for a mandatory acquisition in accordance with Rule 26 of the Takeovers Code.

Apart from the above, as at the Latest Practicable Date, to the best knowledge and belief of the Directors, the Directors are not aware of any consequence which may arise under the Takeovers Code and any similarly applicable laws as a consequence of any repurchase of Shares under the general mandate.
